Professional Summary

Experienced and results-oriented **Network and Security Manager** with expertise in designing, managing, and optimizing secure, high-performance enterprise networks. Skilled in deploying **Versa SD-WAN, Cisco ACI, Cisco ISE, AWS Cloud**, and enterprise firewalls. Adept at ensuring compliance with **ISO 27001 and regulatory standards**, and collaborating with cross-functional teams to deliver resilient, scalable, and secure IT infrastructure.

Core Skills

• Networking & Infrastructure: Routing, Switching, Versa SD-WAN, Cisco ACI, Cisco ASA

• Security & Access Control: Cisco ISE, Firewalls (Palo Alto, Sophos, Cisco ASA), 802.1X Authentication

• Cloud & Virtualization: AWS (VPC, VPN, Subnets, Route Tables, DR), Hybrid Cloud Connectivity

• Compliance & Governance: ISO 27001, IRDAI, ITIL, CIS Benchmarks

• Tools & Utilities: Network Monitoring, Documentation, SLA Reporting, Automation Scripts

• Soft Skills: Team Collaboration, Problem-Solving, Capacity Planning

Professional Experience

SBI Life Insurance – Mumbai
Network and Security Manager (June 2023 – Present)

• Versa SD-WAN: Deployed and managed branch/DC connectivity with intelligent path steering, traffic shaping, and SLA monitoring.
• Cisco ACI: Designed and maintained ACI fabric (APIC, leaf/spine switches, VRFs, EPGs, contracts) with microsegmentation and automation for compliance.
• Cisco ISE: Configured 802.1X, profiling, posture assessment, BYOD onboarding, and AD/firewall integration.
• AWS Cloud: Managed hybrid cloud connectivity, deployed VPCs, gateways, load balancers, firewalls, and enforced cloud security baselines.
• Firewalls: Administered Cisco ASA, Palo Alto, and Sophos firewalls, VPNs, and change controls; ensured patching and audit compliance.
• Governance & Compliance: Maintained audit-ready documentation, collaborated with InfoSec and Audit teams, and performed capacity planning for scalability.

Education

• Bachelor of Engineering (Electronics & Telecommunication) – University of Mumbai, Mumbai (2020 – 2023)
• Diploma in Electronics Engineering – Government Polytechnic Mumbai (2018 – 2020)

Certifications & Courses

• CCNP ENCOR + ENARSI – Cisco
• CCNA – RST Forum
• Versa SD-WAN – RST Forum
• Cisco ISE – RST Forum
• AWS Cloud Professionals – RST Forum
• AWS Cloud Computing – RST Forum
• Python – RST Forum
